Fiddler On

Broadway's longest running musical "Fiddler on the Roof" was presented on March 19, 20, and 21 in the high school auditorium. Although a very difficult show to do, the talented cast worked long and hard to make it a success. Directed by Mr. Jack Feldheimer, the story of "Fiddler" is one of deep meaning. But audiences who saw it will long remember the village of Anatevka.

SPORTS

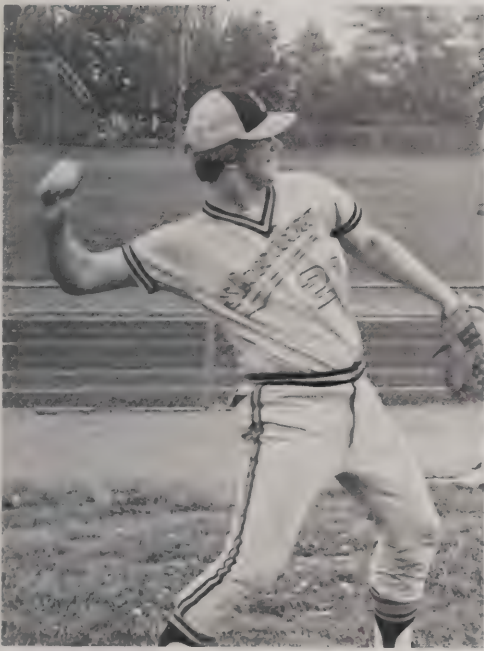

Baseballers Enjoy Another

Winning baseball has always been a tradition at Shrewsbury, and this year's will again finish near the top of the league. While many players were lost from last year's 15-4 team, the squad returns three-quarters of its infield and an unusually strong mound staff. Defense and speed will again be accented, and this team has many players who possess both: Sean O'Leary, Ben Fasano, Steve Ferry, and Brad Reinhard (The Shotgun). Add seasoned veterans John Jameson and Dan Cormier (Co-Captains), Brian Ryder, Frank DeMaria, and Gary Morton, and you'll know why the Colonials will have posted another fine record.

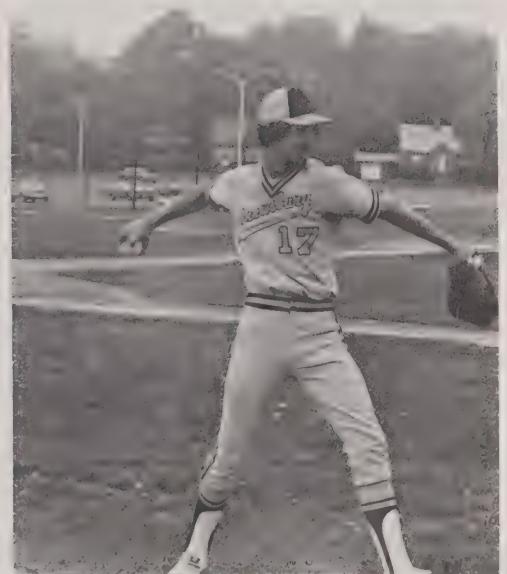

First Row: Sean O'Leary, Frank DeMaria, Ben Fasano, Gary Morton and Steve Ferry. *Second Row:* Coach Tom Henighan, Brian Ryder, John Jameson, J.B. Reinhard, and Dan Cormier.

As Spring rolls around, the girls pull out their dusty bats and mits and head for the playing fields of S.H.S.

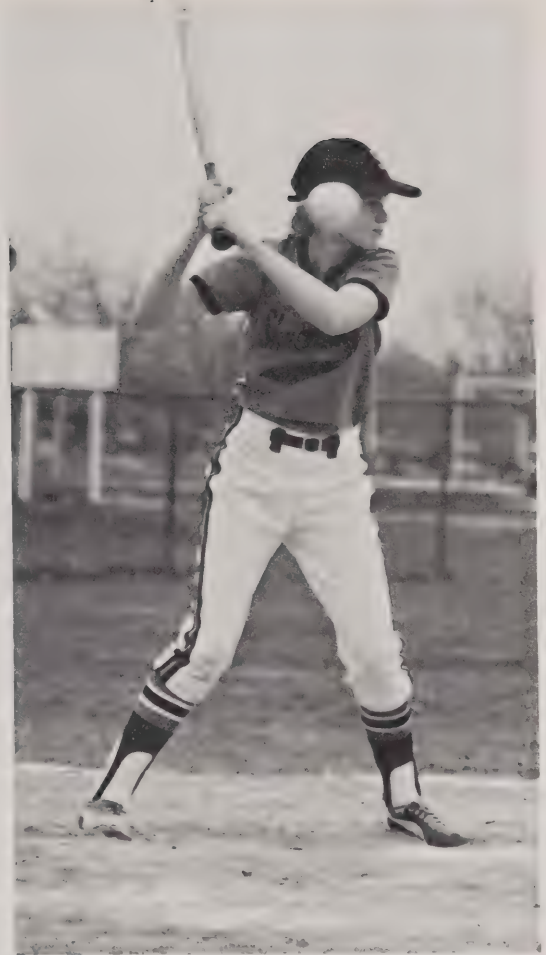

With Annie Morrison leading the team and several starters returning this season looks very promising.

Track and field is not a glory sport; few of its participants will make the headlines or be swarmed for autographs. This is a team that is open to everyone who wants to taste discipline, teamwork, sacrifice, and good hard work. The Shrewsbury team is a perennial powerhouse because our school possesses a number of these young men. With the assistance of a fine staff, Coach Bob Munzner molds the group into a smoothly running machine that represents the finest virtues of SHS.

This year, tri-captains Bill Doctor, Bill Flynn, and Jack Mazeika will head a strong veteran team that will continue the fine Colonial tradition.

As the weather gets good and Spring approaches many girls are jogging and preparing themselves for the upcoming season in track. Endurance and determination are instilled within each girl after going through many rigorous practices with Coach Hersey. This year's team will be led by Captains Carol Carmody and Mary Joe Concordia with the upcoming season looking very bright.

Meeting of the minds?

Coach Jack McGinn is confident this year's team will improve on last year's 10-4 record. Captain Pat O'Connell, Joe Violette, Steve Brown, Mark Bilzerian, and Dana Smith, all playing their last year for the Colonials, form the nucleus of a team that in a pre-season favorite to capture the Midland League crown. With a strong supporting crew of underclassmen behind our star-studded senior cast, the team is certain to better last year's disappointing showing in Districts.

The Wolfman

M'm, M'm, Good!

The Girl's tennis team of Shrewsbury High School is once again fully prepared for the upcoming season with many starters returning.

Many talented individual players should lead the team to have an outstanding season.

The team will be coached by Miss Wulff, and captains Carol Vartanian and Jane Lindegren will provide inspiration for the team.

Golf Team Enjoys Its

Shrewsbury's golf team will have to play with more pressure than Fred Lynn will this year. In an unbelievable season last year, our team posted an 11-1 record in Midland League competition, qualified for the state tournament by finishing third in district competition, and finished sixth overall in the state. Graduation has stripped the squad of a number of fine players, but Coach Bill Coulter still has several good ones, including senior Mike Prue and Captain Jim Collins. Last year, Collins was the low qualifier in district competition as a sophomore. This year, Coach Coulter is counting on Jim to carry the bulk of the load while providing leadership for the young squad.

The backbone of this year's team: senior Mike Prue, Captain Jim Collins, second year men Dave Potter and Tom Harney, along with Coach Bill Coulter.

The crew team was just organized last year, because so many girls were enthusiastic about the sport. Although the team did not compete at a varsity level, there was a lot of competition amongst themselves.

This year Mrs. Caron hopes to produce a varsity crew team that will compete at a varsity level with other schools.

"But Mrs. Caron, it's so heavy!"

As the summer ends and the school year begins, many girls are slashing away at hockey balls and getting themselves in shape for the upcoming field hockey season.

This year's team led by Doreen Lawless and Rocky Rakauskas was dedicated and determined to win throughout the entire season.

Even though the team cannot account for a winning season, attaining a record of 2-15-2, the girls had some great times that will never be forgotten.

Soccer is a sport that demands endurance, precision, and togetherness. Shrewsbury's team displayed these qualities, but key injuries to seniors Gary Rooney and Seth Harlow ruined any chance of a successful season. However, the injuries provided much playing time for some worthy underclassmen on whom Coach Dennis Hursey will depend heavily next year.

Playing their last season for the Colonials were Gary Rooney, Neil Kiely, Brian Murphy, Joe Holland, and Co-captains Seth Harlow and Al Bachand.

Coach Gordon Warren

As usual, our Cross Country team owned the best fall sport record in the school. This year, the squad went 11-2, including a 7-0 record in the Midland League. The team also won the league meet and placed first in the large school division of the Wachusett Invitational Tournament. To top off the campaign, the team finished third in the district meet.

Much credit for these accomplishments must go to Coach Gordon Warren. He annually produces the Colonials' best fall sport. This year, Co-captains Bill Doctor and Bob Mertzluftt headed another typical Warren team — a winner with a lot of class, spirit, and pride.

Football Team

Playing their last year for Shrewsbury in 1975 were:

The formula was simple: a few key injuries, terrible field conditions, and some costly mistakes at crucial times. The results were disappointing: a 4-6 record. Led by Co-captains Gary Morton and Ron Wood, the team possessed spirit and pride, but it couldn't battle injuries, wet fields, and opponents all at the same time. While the front-liners were good, the bench contained too many players with too little experience. Things never jelled until the final game, the Thanksgiving Day classic, when an inspired Paul Smith displayed some superb two-way football in leading the Colonials to a victory over Wachusett High.

A gifted athlete, Gary Rooney was the key to this team's success.

Although only a .500 club on paper, this year's Basketball squad was a winner at heart. It sported a 9-5 record in Midland League play. Indoor Track

Perk gets ready for the home stretch

This year's Indoor Track team enjoyed the most successful season in the history of the sport at the school. Tri-captains Bill Doctor, Bill Flynn and Bob Mertzlufft led the team to a 5-1-1 record. A victory over Ashland High after a six-year drought and a tie against league champion Westwood High were the team highpoints of the season. The team also had a number of outstanding individual efforts, including Bob Mertzlufft's undefeated season in the thousand yard run, Steve Whiting's unblemished record in duel-meet two mile competition, Steve Ball's school record in the six-hundred yard dash, and Dan Wall's record-setting leap in the high jump.

In the league meet, Bob Mertzlufft won the thousand and Dan Wall tood the high jump. Bill Doctor, Ed Fitzgerald, Steve Perkins, Steve Whiting Dan O'Leary, Will Dryden, and Steve Ball also placed high.

At the state meet, the relay team of Mertzlufft, Doctor, Ball, and Dryden placed sixth. Other compeditors for the Colonials in the states were: Ed Fitzgerald and Dan O'Leary (high hurdles), Bill Flynn (fifty yard dash), Scott Loomer and Kevin McNamara (mile run), and Steve Whiting (two mile run). Also participating were Bob Mertzlufft, who placed fifth in the thousand, and Dan Wall, who took second place in the high jump.

The girl's basketball team of Shrewsbury High was once again tough to beat this year. Even though height was not to their advantage, the players exhibited constant hustle and dedication.

The team led by Amy Holdash had a slow start but came on strong and was consistently victorious throughout the remainder of their season.

The players had great individual effort along with combined team effort which led them to a respectable 9-4 record in the Midland League.
